NTPC's shareholders approve raising of ₹18k cr via NCDs

FE BUREAU Mumbai, September 29

THE SHAREHOLDERS OF NTPC, India's largest power producer, have approved raising ₹18,000 crore via private placement of non-convertible debentures (NCDs) to meet the company's capital expenditure and working capital requirements.

Also, given the company's future capex requirements and its conviction to foray into

new verticals, such as renewables and green hydrogen, the

The shareholders have reappointed Gurdeep Singh as the CMD of the company

shareholders have approved raising the borrowing limits to ₹2.25 lakh crore from ₹2 lakh crore earlier.

The shareholders have reappointed Gurdeep Singh as the chairman & managing director (CMD) of the company.

Singh was appointed as CMD on January 28, 2016, for five years from the date of assumption of charge of the post, or until further orders.

The ministry of power had extended the tenure of Singh from February 4, 2021, till July 31, 2025, the date of his superannuation, or until further orders, whichever is earlier.

NTPC's present generation capacity stands at 66 GW, out of which 54 GW or 82% is coal-fired.

Going ahead the company is planning to reduce the net energy intensity by 10% in the next 10 years. To achieve the target NTPC plans to add nearly 4,000 MW of clean energy capacity every year, which would be scaled up to 8,000 MW closer to 2032.

The power producer is also exploring development of large-scale offshore wind power plants with Oil & Natural Gas Corp through a joint venture.

Sembcorp raises S\$675 m through SLBs

SINGAPORE-BASED SEMB-CORP INDUSTRIES has raised S\$675 million (675 million Singapore dollars) through sustainability-linked bonds (SLB) with a tenor of 10-and-a-half-years and a coupon rate of 2.66%, the

company said on Wednesday. The money will be utilised in financing the company's working capital requirements, refinancing the group's existing debt and financing or refinancing its renewable energy projects.

Vipul Tuli, CEO, South Asia, of Sembcorp Industries, recently told FE that the company is eyeing the acquisition route to increase its renewable energy base in India.

Flipkart to deploy over 2,000 EVs in delivery fleet ahead of festive season

WALMART-OWNED FLIPKART on Wednesday said it will deploy over 2,000 electric vehicles in its delivery fleet prior to the festive season and the Big Billion Days.

"These 2,000 electric two-wheelers and three-wheelers have been deployed across 90 cities in India and will help deliver smiles this festive season sustainably," a statement said.

Earlier this year, Flipkart had committed to deploying 25,000 EVs in its supply chain by 2030 towards its transition to 100% fleet electrification as part of its collaboration with The Climate Group's EV100 campaign.
